**Only two Toppers and one mirror available for hire for so we will operate a first come basis on these. Preference will be given to those sailors who have not previously hired a boat.**

Autumn Training will commence on Saturday and Sunday 26&27th September for all classes, running for 5 weeks. **The running of either day will depend on adequate numbers.** We have 6 weeks put aside on our calendar to allow for blown out days. This year it is our intention to run sessions regardless to whether the winds are favourable or not as we have plenty of sessions prepared on nutrition, fitness, first beat, racing, knots, chart work etc etc to cover. Lasers, Mirrors, Toppers and Lasers and a sundry class will be catered for. As always we have a limited number of boats available for rental.

We will have a registration night in the Sailing Club on Wednesday, 9<sup>th</sup> September @ 19:30 hrs. As well as registering all sailors we need to ensure we have plenty of parents volunteering to help out on training days to ensure all runs smoothly and for the safety and welfare of our children. If you cannot attend the spring training registration night please email [juniors@skerriessailingclub.com](mailto:juniors@skerriessailingclub.com) before 9<sup>th</sup> September, returning the application form and leave a copy in the club bar.

Please also bring along your ISA log books and they will be reviewed.
