2015 Season Concludes

All finished! and what a day to finish on. Strong winds and bright sunshine did not stop a large fleet of dinghies from taking to the water on Saturday morning last (October 24th) to compete in the final three races of the October series, before adjourning the club house for some soup and sandwiches

provided by Nicola Browne and the class captains. The PY series was won by Colman Grimes on 15 points very closely followed by Sam Shiels on 18.5 points and Shay O'Toole on 19 points. The Progressive series was won by Shay O'Toole on 19 points from Colman also on 19 points (Shay shaded it by number of firsts) and Paul Browne on 25.6 points. Full details up on webpage as usual. Also now published on the website (too large for the newsletter) are all the trophy winners for the 2015 season – www.skerriessailingclub.com - check it out.

The first Mermaid interclub (SSC vs. RSC) Championship was concluded over the 8 races with SSC taking the honours. The prize (donated by former SSC Commodore Andrew Pollock) was presented to Don Cromer as SSC mermaid class captain. Our thanks to all who took part especially our good mermaid friends from RSC who very much enjoyed their racing. Our special thanks goes to Paul Browne for arranging the event and sponsoring the prizes. Well done Paul and thank you and Nicola.

Next up is of course the Laying up supper on November 14th and we hope to see as many members as possible attending especially the many prize winners. See you there. KB

Inis Rua

Tomorrow, Saturday Sam Shiels is looking for a team of folks to assist in the craning out and cleaning down of the Inis Rua. Meeting at 11.00hrs at the club house yard. If you can help please call Sam at 087 7434176.

International Certificate of Competency
